

PROFESSIONAL STAFF DEVELOPMENT COMMITTEE MINUTES

WEDNESDAY, February 4, 2009

Present: Elaine Stuck, Jennifer Gigstad, Brenda Royer, Becky Campbell, Eileen Montgomery, Susan Kramer, Jennifer Hansen, and Mr. Wiseman.

The committee members shared positive comments about the January 19th in-service. Committee members were reminded that staff members will need to create their own application for PDP points for this in-service as each building level had activities related to their grade level needs.

Each building level will plan a schedule for the March 12th morning in-service and share these ideas with the building principal. The agenda for this day needs to be turned in by March 5th.

Becky Campbell moved that the meeting be adjourned and Jennifer Hansen seconded the motion. The next PDC meeting will be scheduled the first part of March.
