

**Social Studies**

During Social Studies class we will wrap up our study about Earth.

**Technology**

During Technology we will continue to learn keyboarding skills by using the Keybo program.

**Math**

This week we will continue our study of time. We will also study how time and the calendar work together. **Please remember to practice addition and subtraction facts with your child.**

**Writer's Workshop**

During the month of February we will continue to work on writing expository paragraphs. An expository paragraph simply means "to explain".

**Spelling**

Each week we will have 12 Spelling words. There will be 10 core words and 2 challenge words. Please help your child learn their words before their test on Friday.
