

Social Studies

During Social Studies class we will finish our study about Working Together.

Technology

During Technology we will continue to learn keyboarding skills by using the Keybo program.

Math

This week we will study numbers and regrouping. **Please remember to practice addition and subtraction facts with your child.**

Writer's Workshop

During the month of March we will continue to work on writing expository paragraphs, as well as review descriptive and narrative writing. An expository paragraph simply means "to explain".

Spelling

Each week we will have 12 Spelling words. There will be 10 core words and 2 challenge words. Please help your child learn their words before their test on Friday.
