

**Science**

This week we will practice sorting objects into categories. We will also begin a unit on "Heat".

**Technology**

During Technology we will review what has previously been taught. The students will be given time to take AR tests.

**Math**

This week we will continue to study 2-Dimensional and 3-Dimensional objects. **Please remember to practice addition facts with your child.**

**Writer's Workshop**

During the month of October we will work on writing descriptive paragraphs.

**Spelling**

Each week we will have 12 Spelling words. There will be 10 core words and 2 challenge words. Please help your child learn their words before their test on Friday.

Parent Teacher Conferences are rapidly approaching. Attached is a sign up sheet for the conferences. Please mark 2 or 3 options that might work for a meeting time. On a first come, first serve basis, I will mark parents down for conference times. For those parents who have more than one student in the building, the teachers will work together to plan all of your needed conferences around the same time.
