

**NO SCHOOL Wednesday, Nov. 21-Friday,  
Nov. 23, 2007.**

Due to the short week, we will use the time to review concepts previously taught.

Please encourage your child to read for AR and for their monthly reading minutes. I am very happy with how the students are putting forth effort to meet their personal goals.

The Christmas Program is Friday, Dec. 7 at 7:00 p.m. at the ACCHS auditorium. The students must be at the school by 6:45 p.m.

Our class will have a Christmas Book Exchange during our Christmas party. Please help your child select a book that costs \$5 or less and would be appropriate for either a girl or a boy.

Love & Logic Seminars are Monday nights at 6:00 p.m. in the ACCHS library.
