What's Happening?

Math

The students will learn to handle and account for their money by using a checking account.

Early knowledge of the wisdom of saving and spending in a responsible way helps to establish good, life-long money-management habits.

Writing/English

The students are working on their "Secret Projects" in writing. They are doing a great job and learning lots about writing!

Reading

The students will be reading in groups and determining setting, conflict/resolution, character traits, and working on book projects.

Students should be reading 30 minutes every evening at home.

Thank you for your support!

Science/S.S

The students will be learning about our nation's capital. They will study the following:

Branches of government, Lincoln Memorial, Washington Monument, World War II Memorial, White House, and much more!
