No School  
AM Inservice

Nov. 21<sup>st</sup>-25<sup>th</sup>  
Thanksgiving  
Break

Dec. 7<sup>th</sup>  
Christmas  
Program  
7:00 ACCHS

## What's Happening?

### Math

Students will find values and rules through input/output tables and graphs. They will continue to work on division facts and 2 x 2 digit multiplication problems.

The students will also demonstrate the ability to solve one and two-step problems relating to real world concepts.

### Writing/English

Students will write expository text using the writing process.

Students will also read their Thanksgiving story for the November Newsletter aloud to the class.  
They are great stories!

### Reading

The students will make inferences from information in text to draw conclusions.

They will also identify text structure such as: sequence, problem/solution, compare/contrast, and cause/effect.

### Science/S.S

The students will understand that the sun provides light and heat to maintain the temperature of the earth. They will also describe the properties of water and the process of the water cycle.

## Teacher Comments

Sam Sowers will be celebrating his birthday on November 26<sup>th</sup>.

This spelling list is for 11/26 to 11/30. Since next week is short, they will have a review and a spelling bee.

The students will have a \$5.00 book exchange at their Christmas party. Please select a book that could be for either gender.
