

At Home Activities for Mrs. Fasse's First Grade

We are working on place value in math. When you review each day's papers with your child, please ask about tens and ones. We continue to do many papers together and it is important that your child stays with us as we work. This week I will start to send a book home in a bright Kiwi bag-please return the bag and book after you have listened to your child read the book. Reading aloud and reading often is important for beginning readers. Thank you for your help at home. If you have questions, let me know.

	Math	Reading	Spelling /Vocabulary
Monday 9/10/2007 Leader Show & Tell John	Numbers to 31 How many tens? How many ones? In 1 digit number	Listen to your child read weekly poem (contains weekly vocabulary words) Sunday	study sight vocabulary words does her look there
