

What's Cooking in 2nd Grade?

Effingham Elementary School Mrs. Small- Teacher For the week of March 03

READING HOMEWORK!

Please make sure your child reads Fossils Tell of Long Ago found in the red reader. Thank you for helping your child.

Parent Teacher Conferences!

Parent Teacher conferences will be by teacher request only this semester. This will allow extended time for those that really need it. Other parents are still welcome to put in their own request as well.

Thanks for the supplies!
Adding to the list of Thanks... goes to Casey's, Valerie's and Hope's families for their donations of tissues/wide-lined paper.

Reminder: No School on March 14, 17, 18, 19, 20. School will resume on March 24th.

Can't Stress it Enough!
Students need addition and subtraction facts memorized.

GRAPHS! GRAPHS!

Line graphs, bar graphs, and Venn Diagrams are just a few of the graphs your child is learning to read.

ARE YOU SMARTER THAN A 2nd GRADER?

What you need: one deck of cards, scratch paper and a pencil.

What to do: Take out all cards except for A-10.

Draw 7 cards. Line them up from least to greatest. Have a contest between you and your child to see who can find the range, median, and mode first! (Your child will get a dime if you do this at home and send a note to me about the card game results with your signature.)

Remember- Put the cards in order from least to greatest first!

Range...take the high number and the low number and subtract.

Median...The one in the middle.

Mode...The number(s) used most often.
