

What's Cooking in 2nd Grade?

Effingham Elementary School Mrs. Small- Teacher For the week of October 29

Thank You Parents!

Thanks for coming to Parent-Teacher Conferences!

Reading Story This Week

Have your child read Jamaica Tag-Along in the red reader.

Language Arts Lessons

This week we are studying compound words and the use of exclamation marks. We are continuing to learn how to write using nouns and adjectives. The Kids need to know the difference between these two parts of speech. A noun is a person, place, or thing. A verb describes the noun. A verb can be used to show how something sounds, looks, feels, tastes, or smells.

Three Quarters TO GO!

We only have three more quarters to go until your child is a 3rd Grader! We do not have time to waste! Go 2nd Graders!

What's Cooking in Math?

Second Graders are will be starting patterns. This will help them with multiplication next year.

RING THOSE BELLS!

Students must read their leveled books twice with a buddy. The buddies must ask each other five questions before taking an AR test! This is helping us get hooked on reading! I am seeing improvement!!! Thanks for helping your child read at home!

Science at Home...

Put some water in a balloon and freeze it. What happens to the water?

Reminders...

*New School Bond Issue

Ballots need to be filed with the county clerk by noon on November 6th.

* Wednesday October 31st

Halloween Parade-1:30 p.m.

Halloween party-2:00 p.m.

Do Not send your child to school dressed in a costume. I will give the Kids time to change.

Thanks!

Poetry at School

Your child gets to read and hear poetry every day at school. You can help your child with rhymes by letting them read poetry at home, too!

Good Better Best!

Never Let it Rest!

Until Your Good is Better

And Your Better is Best!

Go.....2nd Grade!

Practice math flashcards!
