April 23 Reading CBM Tests
April 25 Class trip to Topeka

Dear Parents,

We will read animal stories this week in which we are facing the world from the viewpoint of the creature itself. In the story "Two Bad Ants," we witness the adventure two ants have as they remain behind in the sugar bowl.

In Social Studies, we have been studying citizenship and government as we prepare ourselves to go to the capital for our fieldtrip.

We will finish working with weight and converting metric units of measurement in Math this week and move into division next week. Keep up your work with the multiplication flashcards!

The students will need to bring a sack lunch from home Friday for the fieldtrip. This should include a drink. The PTO will pay for students to visit the museum. Parents attending will need to pay \$1. I have collected from most of you. I will hand in one payment for all of us when we get to the museum. We will have a little time to visit the gift shop at the museum after we eat lunch. The children will each receive \$4 to spend at the gift shop. If you would like to send a little more money for them, I will put it in the envelope marked with their name. The group leaders will take care of the money for their group of children. There is no fee to visit the capitol. Group leaders will need to visit with me at 8:00, April 25.
