The "Pizza Hut Book-It" program is completed for this year. Please continue reading and recording the books on the form you have used all year.

This week we will grow a lima bean that will be placed on a wet paper towel inside a baggie. This way we can see the roots grow without placing the seed in dirt.

This Week:

Animated Literacy: We'll continue with the long "a" sound with our character, "A Hare Named Abe". We'll spell cake, snake, skate, and pail.

Reading: The new vocabulary word is "he". We'll read the little booklet Pug, and work with nouns and summarizing the story, Any Kind of Dog.

Math: We will study identifying and counting money.
