### Show and Tell

Monday: Ashton

Tuesday: Gabe

Wednesday: Victoria

Thursday: Evan C.

Friday: Colton

Next Monday: Quincie

---

Please remember: Individual student pictures will be taken this Thursday, September 27.

---

Our class will take their field trip on Friday, October 5<sup>th</sup>. We will go to Kansas City to Kaleidoscope, the Hallmark Visitor's Center, and a pumpkin patch on the way back home. Parents are welcome to come as chaperones, but younger brothers and sisters will not be able to attend. We'll leave around 8:00 and return by approximately 3:00 or shortly after. Everyone has returned their permission forms. We have 12 parents accompanying us on our trip

---

If your child has not yet brought an apple, please do so ASAP. We will be involved in many apple activities. Some of these activities include: using the balance scale to weigh them, seeing if they sink or float, having a taste testing party, painting an apple pattern, and using them to make a yummy apple treat.

---

This Week:

Animated Literacy Phonics Program: We'll continue reviewing p, u, o, a, m, x, d, t, s, and r. Our newest letter and sound is r. We'll also learn j. We'll spell drum, a rat in a hat, and star.

Reading: Our vocabulary words "a", "the" and "my" will be reviewed.

The booklet called Nan will come home in a Kiwi bag. Whenever the Kiwi bag comes home, you need to send the bag and the booklet back on the next day of school.

We'll also discriminate between Capital and Lowercase ABC's and will identify details in illustrations.

Math: We'll begin our chapters on sorting/classifying and patterning.

---

\*Does anyone have shoeboxes that we could use for a class project? Women's shoeboxes are generally the right size. If so, please send them as soon as you can.
