3-07-08

This first week of March, we started our March unit by making kites, rainbows, and, yes, learning about the Leprechaun and his pot of gold. In our Math we learned about the number 18 and we are doing a good job of identifying our numbers up to eighteen.

In our Animated Literacy we met Kimmy Kangaroo. We are also doing a good job of remembering the beginning sounds of each of the animated characters that we have met so far. Rhyming and opposites activities also made our week fun at preschool.

Thanks to all parents who came to Parent Teacher Conferences. It is always nice to talk to you about how good your children are doing at preschool.

Please remember day light savings time begins this weekend; set clocks up one hour, this means spring is on its way!

**NO SCHOOL** Friday, March 14<sup>th</sup> . Spring break will begin.
