This week at preschool we were very busy doing lots of Easter activities for our Easter unit, and even had a visit from the Easter Bunny before we left for Spring Break, March 14th to March 24th. We will have our regular preschool classes for two days that week, then we go to Kindergarten Round-Up March 26th, 27th, and 28th at the Union Church Education Building. Please have your Kindergarten packets with you when you go to your child's scheduled time. As we stated at Parent Teacher Conferences, your child does not need to come to preschool on their Round-Up day. It is up to you. Both Mrs. Holle and I will be there for Preschool Round-Up. Subs will be in the classroom those days for us.

This week we met Farley Fox in our Animated Literacy. We learned the number nineteen in our Math and did some fun activities using patterning. We did lots of activities with the Alphabet and our phonic sounds of each literacy character that we have met so far.

We would like to do the Book It for Beginners the months of March and April. If you read ten or more books to your child and write them down, send it to school with your child and they will receive a pizza certificate for a free personal pan pizza. We hope everyone will get started on this project during spring break. It is a great time to spend with your child as well as a good learning experience for all, so thank-you for your help with this project.

Our next newsletter will be on April 4th.

Have a great Spring Break and Happy Easter to everyone!!!!

P.S. It would help your child at round-up to review some basic skills at home during Spring Break.
