Mrs. Holle
Mrs. Slattery, Elementary Principal
8-31-07

Newsletter 2:

The second week of pre-school was a fun and busy one for everyone. We had Art with Mr. Lucas who is new to the 377 district. We met Mrs. Judy Chalfant, our new Library reader who comes once a week to read to all of us.

The preschoolers also worked on a special book of colors and learned all about the colors in the world around us. We started counting to 20 and learned the Name Train song.

In small group activities, we started on classifying skills, did lots of floor puzzles, and some Language skill activities. Next week we will start counting the books on our book chart as we read them to reach our 100 books reading goal and a class book party. For a fine motor activity, we played with shaving crème.

Starting on Friday September 7th, we will have show and tell at pre-school. This will be a weekly occurrence but only on the Fridays that school is in session. Your child may bring one item to show the class. We do not play with our show and tell items; they stay in the book bags until it is time to show them.

A little one has misplaced a book bag. It has Tinker Bell on it and has her name on it. If your little one picked it up by mistake, please return it. Thanks for your cooperation.

REMINDER: NO SCHOOL MONDAY, September 3rd LABOR DAY!!!
