

# Good News from Atchison County Community Primary School

Week of: September 21, 2009

From Mrs. Hall: Wyatt Kramer always makes sure all our toys are put away correctly at the end of the day.

From Mrs. Lanter: Daniel Martin always follows directions. He is eager to learn and is very polite and kind to his friends. Keep up the good work!

From Mrs. Young: Kelcie Allan is such a big help to me in the classroom, especially at the end of the day. She makes sure our room looks great before she walks out the door and does so with a smile on her face.

From Mrs. Pieper: Trenton Long shows great care and pride in all that he does.

**From Mrs. Schwalm:** The first grade class is celebrating Johnny Appleseed's birthday this week. Listed are some activities that we did with apples:

- Sorting and making patterns
- Investigated inside and outside of an apple,
- Wrote about apples,
- Read stories about apples and Johnny Appleseed,
- Made "Apple Smiles," made applesauce.

The entire class showed kindness this week by making cards for a student that was absent this week.

From Mrs. Stutesman: We are celebrating Johnny Appleseed's birthday and made applesauce. We predicted how many seeds are in an apple and grafted the number of seeds that we found.

From Mr. Hinrichs: The Primary School celebrated homecoming week by participating in the following activities

Monday: Favorite Character Day

Tuesday: Favorite College Day

Wednesday: Mis-matched sock day

Thursday: Purple or Blue Day

Friday: Orange and Black Day. The Primary students marched in the homecoming parade and attended the Homecoming Pep Rally on Friday.

Mr. Hinrichs read, Mr. Brown can Moo, Can You? to Mrs. Schwalm's class.
