

# GOOD NEWS FROM ATCHISON COUNTY COMMUNITY PRIMARY SCHOOL

Week of: February 22, 2010

**From Mrs. Hall:** I needed one child to change center activity groups so I drew out a name. The child that I drew really didn't want to change groups. Then Cayden Hollands offered to change center groups. Thanks Cayden that was so nice of you to do that for me.

**From Mrs. Lanter:** Colby Smith takes great pride in his work. He has very neat handwriting! His papers are always fun to grade! I am so proud of him!. Keep on working, Colby!

**From Mrs. Young:** I am exceptionally pleased with the way the kindergartners are reading. We have been focusing on increasing our speed and getting rid of "robot reading". There has been great improvement in just the past two weeks.

**From Mrs. Pieper:** Logan Martin exhibits great initiative when it comes to completing work. If you walked into the classroom, you would recognize her as the girl with her head buried in her work! She is so proud of herself!

**From Mrs. Schwalm:** Jonathan Joice uses very good manners. He shares "thank you" and "please" with students and teachers.

**From Mrs. Stutesman:** Tannah Forbes is always helping others put things away. She one of my top organizers. Also she makes others feel good when she rubs their back.

**From Mrs. Pound:** The preschoolers have had a great time with the dinosaur unit, first the coloring contest then digging for a dinosaur pretending to be a Paleontologist. There have also been a lot of preschoolers that are helping their friends when they have a problem

**From Ms Maas:** Preschool students enjoyed stories about the Presidents and Valentine's Day while at the Effingham Library.

**From Mr. Hinrichs:** I have enjoyed all of the stories that Mrs. Schwalm's class have read to me this week.

*SUCCESS BEGINS HERE*
