

GOOD NEWS FROM ATCHISON COUNTY COMMUNITY PRIMARY SCHOOL

Week of: March 1, 2010

From Mrs. Hall: Maci Behrnes has written her numbers to 1000. Way to go Maci!

From Mrs. Lanter: Audrianna Holst turns any free choice time she has into learning time! She is always writing and spelling new words. She is very creative! Keep up the positive attitude, Audrianna!

From Mrs. Young: Our class enjoyed celebrating the birthday of Dr. Seuss. We made “Cat in the Hat” rhyming hats and have been reading many of the books published by this famous author. We want to thank Mrs. Pieper for inviting the kindergarten classes to watch several Seuss videos

From Mrs. Pieper: Tanner Brull is becoming so good at telling time that you can almost hear him ticking as you walk by! He has earned a lot of classroom money by telling time “on the spot!”

From Mrs. Schwalm: Linda Sowers is a very conscientious worker. She wants to do her very best. Linda takes pride in her handwriting.

From Mrs. Stutesman: Madilynn Brown has been a great STAR of the week. She is always willing to lead the class.

From Mrs. Pound: The preschoolers are all finely over all the illnesses that have been going around and we had 100% attendance for both classes on Thursday. The students in the afternoon class did a great job cooperating to get the train track build and they even had a town. Great job preschoolers.

From Ms Maas: Preschool children celebrated Dr. Seuss’s birthday and enjoyed listening to his stories. They also played a game where they had to put the green eggs and ham on a plate while blindfolded

From Mr. Hinrichs: It is great news that Primary Students finally get to go back outside for recess after a long, long winter inside.

SUCCESS BEGINS HERE
