

From the PTO:

A portion of the proceeds made from the recycle bin in the Atchison Country Mart parking lot goes to the Atchison County Community PTO. I would like to encourage all to assist in this recycling project that not only benefit the kids and school but the environment.

First packets will be mailed on June 16th.

Students currently in **4th and 5th** Grade will receive their summer reading information in the mail. I will be talking to them on Monday, May 24th. Letters will be mailed that week also. If you need additional information or to request an address change please contact Alison Ostertag at ostertaga@usd377.org.

Hope you all have a great summer and we will see you in the fall.
