The second graders will continue Chapter 7- Counting Money. You can help your child with money by having them count a handful of change. **Please continue to practice addition and subtraction facts with your**

child. It is very important to have these memorized by the end of the year.

The second graders will review singular and plural nouns and parts of a sentence this week.

Please record the minutes your child reads on their January reading calendars. If your child reads 450 minutes, they will earn a Pizza Hut Certificate and some money to use at the school store!
