The second graders will complete Chapter 8- Telling Time in math. We will begin learning about Fractions. Please practice telling time on an analog clock with your child. Please continue to practice addition and sub-

traction facts and counting money with your child. It is very important to have these memorized by the end of the year.

This week in Social Studies we review and have a test on our map skills and what we learned about Kansas. We will begin Unit 3- Working Together.
