The second graders will review the 3rd quarter standards that they have been working on in math. We will take our 3rd quarter assessment test. Please continue to practice telling time, counting money, and math facts with your child. It is very important to have these standards mastered by the end of the year.

The second graders will work on using quotation marks and underlining titles in language arts. We will also be doing some free choice writing.

This week in Social Studies we will begin Unit 2- Our Earth. This unit is about geography and different landforms.

Please record the minutes your child reads on their March reading calendars. If your child reads 450 minutes, they will earn a Pizza Hut Certificate and some money to use at the school store! March is the last month to earn Pizza Hut Certificates.
