What's Going On?

This week the second graders will read Fossils Tell of Long Ago by Alikei from their reading books. Vocabulary for this story is:

buried

creatures

fossils

fresh

layers

millions

Have your child use each word in a sentence or find the words in other texts.

The second grade math groups will be completing Chapter 11- Geometric Figures this week.

Please continue to practice telling time, counting money, and math facts with your child. It is very important to have these standards mastered by the end of the year.

In writing/language arts, the second graders will continue to work on technical writing. We are writing "how to" essays.

This week in Social Studies we will begin Unit 5- Our Country Long Ago.

Please record the minutes your child reads on their April reading calendar. If your child reads 450 minutes, they will earn money to use at the school store or a reward from the classroom treasure bucket.

I want to give a big "Thank You!" to Kerry Navinsky and all of the parents that helped with the classroom parties this year. The 2nd graders really enjoyed the fun and educational activities!!

MARK YOUR CALENDAR

April 7th- Last Day for JAM at the Union Church

April 16th- AR Deadline for Points

April 21st- Spring Music Program @ 6:30 (HS Auditorium)

May 12th- All Library Books are Due

Encourage your child to read their library books and take AR tests. They need at least 4 points and an 80% average to earn the AR treat at the end of the quarter.

Please sign and return report cards as soon as possible!

Spelling Words

This week we will have 10 new spelling words. We will have the test on Friday.

1. trip
2. tree
3. say
4. said
5. hop
6. train
7. number
8. stop
9. stopped
10. one
