What's Going On?

This week the second graders will read Arthur Writes a Story by Marc Brown from their reading books. Vocabulary for this story is:

important

decided

library

float

planet

proud

Please practice these words with your child. Have your child write each word in a sentence or draw a picture of the word.

The second graders will begin working on Chapter 6- 2-Digit Subtraction in math. **Please practice addition and subtraction facts with your child at home.** It is very important that your child have these memorized by the end of the year.

The second graders will continue to learn how to write narrative paragraphs and stories in writing. We will also work on exclamation marks and verbs.

In science we will learn about the water cycle.

Library books can be exchanged on Monday, Wednesday, Thursday, and Friday.

Please encourage your child to take AR tests on their library books. They need to earn a score of 80% or better on each test.

Please record the minutes your child reads on their November reading calendars. If your child reads 450 minutes, they will earn a Pizza Hut Certificate!

MARK YOUR CALENDAR

November 17th– Math Packet for Chapter 5 due

November 25-27th– Thanksgiving Break

Please be sure that your child is dressed appropriately for the weather. It is getting cooler and we do go outside for recess.

2nd and 3rd grade store– if you have any new or gently used items that could be sold in our store, please send them in. We would appreciate any appropriate items!
