Newsletter for the week of Feb.15, 2010

CAREER WEEK!

During the week of Feb. 22nd students will research a career of their choice for Lang. Arts. Students will be required to write a minimum of one paragraph about their **topic** career. Paragraphs must have a **main idea** and **supporting details**. Then on Friday Feb. 26th the students will come to school dressed as their chosen career. They might need your assistance and creativity for this assignment.

Geography & History

We are comparing past and present landforms, communication, transportation, and ways of living among pioneers, Indians.

Visit with your child about how landforms, communication, transportation and ways of living have changed through the generations.

Show them photographs, letters, or any old artifacts.

Reading

Due to a short week there will not be a new story in the red book this week.

President's Day

Monday, Feb. 15th is President's Day. It is a holiday so enjoy time with your family.

DOWN-HILL!

When sledding, you glide down the hill and coast to the bottom of it. When it comes to the last several months of school, students can't afford to glide or coast out. This is the time to review all that has been learned throughout the year in addition to the new skills that are still being taught. It is important for your child to take school seriously. Everyday brings new challenges and skills.

Good Better Best! Never Let it Rest, Until Your Good Is Better and Your Better is Best!

No New Spelling

Due to a short week there will not be a new list of spelling words.

Mark Your Calendars!

February 15th – President's Day – No Classes.

February 16th – PS/IS PTO Mtg. in the IS Library @ 6:30pm.

February 17 - Students will be selling Red Wheel food products

Math

We are learning fractions. The number above the fraction bar is called the numerator. The number below the fraction bar is called the denominator. The denominator always tells how many equal pieces in all.
