

# Mrs. Small's 2<sup>nd</sup> Grade Class

## “Making A Batch of Smart Cookies”

Newsletter for the week of March 29th, 2010

### Math

Geometry is lots of FUN!

Count the sides! Count the vertices!

### Spelling Words

this

then

thing

thank

bank

with

wish

thin

sing

these

when

where

Mrs. Small says, “If I can think it I can write it.” Mrs. Small says, “If I can write it I can spell it!” Mrs. Small says, “I CAN DO IT!”

### Lang. Arts

Students should be able to correctly use quotation marks while they write!

### AR TESTS

AR test days are usually twice a week (while state tests are being given) so have your child write down the titles of book he/she needs to take an AR test on.

### History-

How did you end up in Kansas? Your ancestors probably immigrated to Kansas.

We will be studying immigration. Any family history that you can share with your child would help bring background knowledge to the classroom.

### Reading in the Red Book

The Wednesday Surprise p. 182

### CAUSE & EFFECT!

Something causes something else to happen! Ex. The cake was in the oven too long. The cake got burnt.
