flowers

showers

April Showers

Bring May

Flowers!

AR TESTS

AR test days are usually twice a week (while state tests are being given) so have your child write down the titles of book he/she needs to take an AR test on.

History of Immigration

Students are still learning about Ellis Island and the process of Immigration into the United States.

CAUSE & EFFECT!

Something causes something else to happen!
Ex. The cake was in the oven too long. The cake got burnt.

mrsdell.org/causeandeffect
