

Mrs. Small's 2nd Grade Class

“Making A Batch of Smart Cookies”

Newsletter for the week of Dec. 14, 2009

Christmas

We will not be doing a Christmas gift exchange among classmates this year.

NO WINTER PROGRAM FOR 2ND GRADERS!

2nd grade will not be involved in a Winter Music Program this year. They will have a Spring Program.

Mark your Calendars!

Winter Break is December 23-January 1st. School will resume on January 4th.

End of 1st Semester – Jan. 8th

Reading - In the Red Book, read Nine In One p.344

Math

Please help your child practice telling time and counting money. Continue helping your child memorize addition and subtraction facts.

**Merry
Christmas**

Reading - In the Red Book, read Nine In One p.344

Map Testing

My class will be taking the Reading Map Test on Wednesday, December 16th and the Math Map Test on Thursday, December 17th. Students need to be reminded to do their best!

WE CAN!

- We can do our best on our daily work!
- We can do our best on our tests!
- Our school is also collecting cans of food this week for the needy.
- We can make a difference in the world!
WE CAN DO IT!

Ideal Stocking Stuffers

PHYSICAL SCIENCE

Rain is a liquid.

It freezes at 32 degrees F.

Then it turns to a solid.

When it evaporates it turns into a gas.

Matter can be a solid, liquid, or gas.

Rain, sleet, snow, and hail are types of precipitation.
