- Encyclopedias
- Books

T-Shirts

The P.T.O. bought our students school t-shirts. Some students will get their t-shirts after Christmas as there was a delay in the order. Thank you for being patient.

HELP YOUR CHILD BECOME MORE MATURE IN THE COMING YEAR!

- **Identify your child's strengths and interests by providing opportunities to explore special gifts and talents.**
- **Let your child explore art, cooking, sports, or hobbies.**
- **Demonstrate and discuss appropriate behaviors with your child so he/she will know how to act socially.**
- **Family involvement in organizations like 4-H or Scouts is an excellent way to be around other children. Opportunities for social growth and responsibility in a safe setting encourage social maturity.**
- **Give your child age appropriate chores at home. Expect him/her to be more responsible.**
