Dear Parents,

We will read "Chicken Sunday" and practice finding prefixes and suffixes, retelling the main idea, and identifying text structure. This story is one more in our collection of multicultural stories.

In Math, we will learn about probability as we experiment with spinners, dice, and coins to determine the likelihood of spinning, rolling, and/or flipping predetermined outcomes. We will also begin working with fractions.

Our mini-society will be operating Monday and Wednesday at 2:30. You are welcome to come in and visit. We will find some "starbucks" for you to spend.

Here is a list of the names of all third grade students for valentines: Austin, Makaea, Gracie, Kaelyn, Nathan, Daisey, Matthew, John, Katherine, Evan, Amber, Shealynn, Lane, Bodie, Deni, Mercedes, Robert, Philip, Branson, Jaycee, Brooklyn, Sara, Jacob, Jacey, Logan, Joseph, Cory, Micollette, Madison, and Brandon.
