

USD #377 Atchison County Community Schools News Release

Effingham, KS 66023
(913) 833-2240

FOR IMMEDIATE RELEASE – 01/10/06

Atchison County Community High School National Honor Society Sponsors Local Blood Drive!

January 4th was a day for helping at ACCHS as people lined up to donate blood. When donors were asked what motivated them, the most common response was, “I know it is needed and I want to help”. There were a several stories of people having loved ones who needed blood. The good news is each person that donated was able to help 2 to 3 people who were in need of blood. It was very uplifting to see so many people stepping forward to help others. More than 60 individuals registered to donate! What a great start to the new year! Go Tigers!
