FOR IMMEDIATE RELEASE

## Positive Party at Snow Creek

What do you get when you mix good grades, good behavior, good study habits, and good attendance? Answer = A trip to Snow Creek ski resort. Nearly 200 students from ACCMS are attending a positive party for their great performance during the second quarter of this school year. The goals in each area are pretty vigorous and our students have really worked hard to earn a chance to “fly” down the slopes at Snow Creek. Our PTO (Parent Teacher Organization) feels so strongly about the performance of our students, they are paying for lunch for all students attending this all day event. Great fun for a great effort! Congratulations, Tigers!

Tom Sack, Principal  
Atchison County Community Middle School
