ACCMS NEWS

With the Olympics winding down, ACCMS is not to be outdone. We boast of having a student who earned a bit of gold in some local winter sports. Logan Enzbrenner, 8th grader, entered the Intermediate Snow Boarding Slope Style and Super Rail competitions this past weekend. He took home two gold medals at these two Snow Creek competitions. You can find his pictures at http://skisnowcreek.com/photogallery_tpark.asp . Congratulations, Logan!
