

2006 Elementary Support Staffer of the Year
Helen Nolting

Helen is completing her 30th year in the district. She is an excellent example of a strong work ethic, of taking pride in your job. She models daily for the students at Cummings what hard work looks like. She is diligent, dependable and cares for the students and staff. As a result of her high standards, the students take excellent care of the building too. Helen is deserving of this recognition!
