FOR IMMEDIATE RELEASE

New School Track Records

The ACCMS track season is in full swing and the teams are competing very well. We have two new records to add to the books thus far.

Michael Forbes set a new school record for 7th grade boys in the Triple Jump, with a jump of 31'41/2".

Riley Hundley broke the old record set in 1983, in the 800 meter run, by running it in 2:25.71.

Great job by these two hard working young men!!!!!!
