Teachers vs. Students Raises Funds

ACCMS put the fun in fundraiser for Seneca Grade School. Principal Tom Sack organized the fierce basketball games played between the faculty and students. The players paid to play and the audience paid to watch. ACCMS was able to raise \$400 to contribute to Seneca Grade School because of the fire they sustained. Pictured are 8th grade student, Ryan Martin and 7th and 8th grade Math Teacher, Mrs. Becky Campbell.
