Project Plant Fund

Mr. Porter and the Science Department would like to extend their gratitude to everyone that donated to Project Plant Fund to help with the beautification of our school grounds. \$800 has been raised so far. Mr. Porter said he started the project, with the student's approval, because he thought it would be a fun way to end the year. He said there is a lot of work to do but it will be worth it in the end. Planting should be done by May 16th. Drop by and see the transformation. Thank you so much!
