## FOR IMMEDIATE RELEASE

### **Project Fitness America Grants Awarded to District Schools**

*Project Fitness* Grants for physical education equipment have been awarded to Cummings Elementary School (2006) and Effingham Elementary School (2007). Lancaster Elementary School is a previous recipient of the grant. The amounts of the grants have yet to be determined.

Atchison County Community School physical education teacher Pam Liewer is the author of the successful grant proposals. Mrs. Liewer has previously authored a successful *Physical Education Progress Grant* that the district was awarded to the district in 2002. Mrs. Liewer has written a proposal for another *Physical Education Progress Grant* that is currently under consideration.

Mrs. Liewer has also submitted a proposal for a *General Mills Foundation* Grant. A final decision on the General Mills grant is soon.
