MS Volleyball – Two 1st Place Victories

Both the 8th grade and 7th grade "A" volleyball teams recently earned first place championships in the ACCMS Invitational Volleyball Tournament. The 8th grade girls played round-robin matches against ACES and Atchison Middle School. They won straight sets against both teams. The 7th grade girls worked their way through bracket play to earn first place. The 8th VB team ended up second place in the Big 7 League tournament, and the 7th graders finished in fourth place in their Big 7 tournament. Great job, Lady Tigers!

Tom Sack, Principal
Atchison County Community Middle School
