FOR IMMEDIATE RELEASE

ACCMS Exemplary Certificates of Academic Performance

The following students earned top scores in reading and/or math on the 2005-06 Kansas State Assessments. The Exemplary scores are in the top category, out of five, earned by students each year. We are proud of each student and his or her effort in creating an atmosphere of academic excellence at our school and in our district. The 2005-06 fifth graders earned a Standard of Excellence Award in the area of reading, and ACCMS earned an over-all Building Standard of Excellence Award in reading, also.
