

USD #377 Atchison County Community Schools News Release

Effingham, KS 66023
(913) 833-2240

FOR IMMEDIATE RELEASE – December 21, 2005

Atchison County Community Middle School Receives Gifts

The Atchison Elks club has awarded ACCMS with a \$350 check for drug awareness and resistance programs within the school. Mr. Sack accepted the award on behalf of the school in a ceremony at the BPOE building on December 15th. The money will be presented to the USD 377 Board of Education meeting in January. The Elks club has held a golf tournament every June for the past 15 years. They split the proceeds from the tournament with area schools and law enforcement agencies to deal with drug awareness education. We appreciate the dedication and the service the Elks are providing to our school and community.

Tom Sack, Principal
Atchison County Community Middle School
