

USD #377 Atchison County Community Schools News Release

Effingham, KS 66023
(913) 833-2240

FOR IMMEDIATE RELEASE

DECEMBER 15, 2005

Lancaster Elementary is proud to accept the gift of a proof set of coins to be used as a reward for the Accelerated Reader Program. The family of Bud Callahan donated the proof set in Bud's memory. Mr. Callahan, who passed away earlier this year, was a long-time supporter of the reading program.

Lancaster, Cummings and Effingham Elementary Schools participated in the Atchison Chamber of Commerce Christmas promotion by decorating wreaths the Chamber provided. The wreaths were sold in a silent auction and the proceeds returned to the schools. We received \$185 that teachers will spend in their classrooms. Thanks to the Chamber of Commerce and those who bought our delightfully decorated wreaths! The money will help teachers provide those "extras" that they often pay for out of their own pockets.
