Time: 6:30–8:00 PM

**USD 377
Atchison
County
Community Schools
District Technology**

Join us in the High School Commons area to learn about the student information database PowerSchool, the District Network and the District Website. Visit the IDL (Interactive Distance Learning) Lab to check out the newest form of technology in the district.

This is a come and go presentation of information on the above areas of USD 377 technology and its uses.

Hope to see you there!
